

2025 Energy Storage Exhibition Photovoltaic S nec

When is SNEC PV power Expo 2025?

This makes it an ideal meeting point for international guests and professional visitors. The SNEC PV Power Expo will take place on 3 days from Wednesday,11. June to Friday,13. June 2025in Shanghai. 13.

What is SNEC Expo?

The expo is organized by the SNEC Org., which attracts professionals and companies from around the world. The focus of the fair includes topics such as photovoltaic production technology, materials, solar cells and modules, photovoltaic projects and systems, as well as energy storage solutions and smart energy applications.

Where does the SNEC PV power Expo take place?

The SNEC PV Power Expo fair takes place in Shanghai,at the NECC National Exhibition and Convention Center. When is the SNEC PV Power Expo taking place? Visit the SNEC PV Power Expo from 11. - 13. June 2025. How often does the SNEC PV Power Expo take place?

Why should you attend SNEC PV power Expo?

The fair provides an ideal platform for fostering exchanges and initiating business relationships between Chinese and international participants. Highlights of the SNEC PV Power Expo include numerous lectures by renowned international experts, offering deep insights into current market trends, new technologies, and political conditions.

What does SNEC stand for?

The acronym "SNEC" stands for "Solar New Energy Convention". Annually,industry experts gather at the National Exhibition and Convention Center (NECC) in Shanghai to present and discuss innovations and current developments in solar energy.. The expo is organized by the SNEC Org.,which attracts professionals and companies from around the world.

What is a photovoltaic fair?

The fair showcases a wide range of products and services that cover all aspects of the photovoltaic industry--from the manufacture of solar cells and modules to complete photovoltaic systems and their integration. Innovative solutions such as solar thermal and LED technologies are also featured.

The 18th (2025) SNEC PV+ International Solar Photovoltaic and Smart Energy (Shanghai) Conference will be held from June 10-12, 2025, at the National Exhibition and Convention Center Shanghai InterContinental Hotel. The conference will delve into the development trends of the photovoltaic industry in China and globally.
