

# Aiswei photovoltaic inverter registration code

How to use aiswei app to monitor photovoltaic power stations & inverters?

If the Aiswei APP is used to monitor photovoltaic power stations and inverters, the monitoring device should be configured and connected to the Internet to work normally. Before registering an account, you need to have an email address or mobile phone number that can be available normally.

How to View PV power plant list in aisweicloud?

Step 1: Open the AiSWEICloud APP and log in with your registered account. Step 2:After successful login,you will see the PV power plant list page,as shown in Figure 2-2-1 (Hint: If you have not created or been shared with the power plant before,the power plant list will be empty).

Do I need a password for aiswei inverter?

Once you have finished the setting,you need a password when you need modify some parameter and the safety code. You can contact AISWEI services. Click "Safety code" will display all safety codes supported by this inverter,as shown in Figure 2-5-16. You can click the required safety code according to local requirements.

What is aisweicloud?

AiSWEICloud The AiSWEICloud is a cloud service platform for users provided by AiSWEI. The ZeverCom/AiCom/ComBox/ZeverManager/AiManager transfers the inverter and PV plant data to the AiSWEICloud server via the Internet to enable the users to monitor their PV plants and inverters remotely via a computer or a mobile device.

How do I register with aisweicloud?

Step 1: Download and install the AiSWEICloud APP,and open the APP as shown in Figure 2-1-1. Step 2: Click the "Register" button in red in Figure 2-1-1 to enter the registration page,as shown in Figure 2-1-2.

Is the manual applicable to aiswei smartphone monitoring system (aisweicloud)?

The Manual is applicable to the aisweiCloudsmartphone monitoring system,which refers to a photovoltaic system with AiSWEI inverter and AiSWEI monitor device. The manual assumes that the aisweiCloud APP has been installed on the user's smartphone. 1.2 Users

September 19, Shanghai, China - AISWEI/Solplanet has achieved a significant milestone by securing 9 th position in global solar photovoltaic (PV) inverter shipments in 2022, as reported in the Global Solar PV Inverter and MLPE Market Share 2023 report by Wood Mackenzie, a renowned global insight business for renewables, energy and natural resources. ...

AISWEI/Solplanet has achieved a significant milestone by securing 9 th position in global solar photovoltaic (PV) inverter shipments in 2022, as reported in the Global Solar PV Inverter and MLPE Market Share 2023

report by Wood Mackenzie, a renowned global insight business for renewables, energy and natural resources.

AISWEI, Solplanet's parent company, achieved a record number of shipments in 2023, ascending to sixth place in the global PV inverter shipment rankings, as reported by S& P Global Commodity Insights, a leading provider of global energy market intelligence. Furthermore, a report by Wood Mackenzie, a global insight business for renewables, energy and natural ...

September 19, Shanghai, China - AISWEI/Solplanet has achieved a significant milestone by securing 9th position in global solar photovoltaic (PV) inverter shipments in 2022, as reported in the Global Solar PV Inverter and MLPE Market Share 2023 report by Wood Mackenzie, a renowned global insight business for renewables, energy and natural resources.

As a leading R& D and manufacturing company focusing on clean energy and providing a broad portfolio of photovoltaic inverter products, hybrid inverter products, EV charger and intelligent energy management system, AISWEI achieved operating revenue of 788 million yuan, 981 million yuan and 2.15 billion yuan in 2020, 2021 and 2022 respectively.

It converts the direct current (DC) from a photovoltaic (PV) array to grid-compliant alternating current (AC) and feeds it into the utility grid. 1.1 Area of validity This manual describes mounting, installation, commissioning and maintenance of the following Solplanet inverters: ASW1000S-S ASW1500S-S ASW2000S-S ASW3000S-S 1.2 Target group This ...

Solplanet is a brand of AISWEI, who has been manufacturing inverters since 2007. AISWEI, also formerly known as SMA's Chinese subsidiary, has successfully been manufacturing high quality and reliable products for renowned brands like SMA and Zegersolar.

AISWEI (Solplanet) specializes in developing and manufacturing photovoltaic inverters, building on the success of the Zegersolar range of inverters from the. Certification; Membership; Specifications; Software; Academy; Initiatives. ... A ...

Solplanet is a brand of AISWEI, who has been manufacturing inverters since 2007. AISWEI, also formerly known as SMA's Chinese subsidiary, has successfully been manufacturing high-quality and reliable products for renowned brands like SMA since 2017 and Zegersolar since 2013. Today, AISWEI is an independent research,

Shanghai, China -- July 15, 2022 AISWEI, the holding company of Solplanet, announced it has recently received its awaited Inverter Technology Review Report from DNV, an independent energy expert and assurance provider. The report indicates that AISWEI's PV inverters are manufactured in compliance with international standards and that the extensive compliance ...

After switching off the

?????????,????????????????(Solar????COM????????),?????????,????????????????????(On??),? ...

The process of using the photovoltaic monitoring system of AISWEI New Energy Technology (Jiangsu) Co., Ltd. is as follows: Before using the photovoltaic monitoring system, please ensure that you have an inverter and monitor from AISWEI New Energy Technology (Jiangsu) Co., Ltd. 2.1. Account registration

refers to a photovoltaic system with AiSWEI inverter and AiSWEI monitor device. The Manual assumes that the AiSWEICloud APP has been installed on the user's smartphone. 1.2 Users ... The registration code and serial number can be found on the external label of the device. You

5. Enter PV plant information in all fields marked with a red asterix and tap "Create" 6. Optional: turn on the App location services 5 6 Tap "Add to plant" 8 10 Tap the inverter serial number that Tap "Grid code settings" matches your inverter TIP: tape "Scan inverter" if the inverter is displayed as "Unknown" 9

We believe that the world would be a better place if everybody had easy access to the cleanest energy. By creating simple, easy to use, affordable and reliable inverters we are revolutionizing access to solar power for businesses and large scale PV developers. Ideal for small and large commercial scale PV plants, our Eversol TLC three phase ...

Page 2 Contents AISWEI Cloud .....32 Account Registration .....32 Create a PV plant .....33 Browse PV plant .....34 Add a AiCom/AiCom WiFi .....35 PV plant Sharing ... data and events, and uploads them to the AISWEI Cloud via the Internet. This section shows how to connect with the inverter and AISWEI Cloud. Fig. 5-1: Overview of the connection ...

This document describes the activities related to the creation of a PV plant, set-up and commissioning of a Solplanet inverter and connecting the Solplanet inverter to a WiFi network. ...
