Arise Solar organised someone to look at the inverter and advised that a replacement would arrive in 1 or 2 weeks. 5 weeks later and nothing. The replacement inverter arrived a week ago and I have received no call regarding the installation. I rang their call centre (most likely in India) and they were no help at all. ...

The Clean Energy Regulator (CER) is an independent Australian statutory agency that administers legislation designed to achieve the country's goal of reducing carbon emissions and increasing clean energy use. It was established in April 2012 under the Clean Energy Regulator Act of 2011. During the second half of March 2021, the CER shared its ...
