Our high-efficiency solar panels come in a variety of wattages and different styles like mono solar panels, bi-facial, split cell, and flexible solar panels from brands like Canadian Solar, Qcell, Longi, and more. At Solar Power Store, we offer technical support for our solar panels to make sure you're set up and ready to go when the time ...

The higher, the better. But the higher, the more expensive. You can buy rigid panels, but for our car living purposes a kit that folds up into a briefcase is probably the best. Ecoflow and Bluetti has nice high-watt briefcase kits. But again, those are like \$4-500 kits. That said, personally, I opted not to go the solar route.
