

Can be used with All Bren-Tronics solar products through SA trailer hitch connection; Available in 60W (BTP-592433-MC) and 120W (BTP-523436-MC) Monocrystalline cells on a folding type, lightweight, non-glass substrate; Excellent choice for applications that require lightweight, flexible and durable silent power; Impact resistant and puncture ...

Custom Solutions Our research and development lab, on-site rapid prototyping and testing capabilities, combined with our state-of-the-art manufacturing facilities, offer you a complete, end-to-end solution for developing your power supply needs.

We are capable of engineering the size, weight, and power (SWaP) of our batteries, as well as the cooling and environmental requirements of these power demanding systems. Bren-Tronics offers modular and scalable solutions that are tailorable to applications on land, sea, and air.

BREN-TRONICS INTERNATIONAL SOLUTIONS SARL à PLOUZANE (29280) : établissement secondaire (RNCS), activité, adresse, tranche d"effectif, nature de l"établissement, date de création

CUSTOM SOLUTIONS find out more. QUESTIONS? find out more. BB-2590/U, 294 Wh, High Temp ... Chemistry: Li-ion. 9.9 Ah, Rechargeable Lithium-Ion Battery. The BT-70791BGHT is an enhanced version of the Bren-Tronics battle proven & government tested BB-2590/U designed for increased high temperature performance. ... International. ...

Since our beginnings, Bren-Tronics has been a leader in advanced and innovative battery and power solutions for the global marketplace. One of the industries that our batteries have served in is military robotics. The batteries we've developed are often used in robots for military use.

o The BTA-70942 series are sealed low profile cables that fit on the new Bren-Tronics BB-2590/U, BB-390B/U or BB-2557/U batteries. Please contact us for information on our mounting hardware. o Robust design with integral strain relief. o Open ended cable can be configured for 12Vdc or 24Vdc.

Bren-Tronics opens its International Technical Expertise Center (ITEC) in France to better serve his customers. ... as well as hybrid front line renewable solutions. Bren-Tronics is the world leader in the design and production of military rechargeable batteries, chargers, and power systems, all designed and manufactured in our state-of-the-art ...

6T Form-Factor Rechargeable Lithium-Ion Battery Designed for demanding power and energy applications such as tactical/combat vehicles, silent watch, robotics, unmanned vehicles, weapon systems, and hybrid
