We are thrilled to announce that IFBOT Intelligent Technology Co., Ltd. will be participating in the upcoming Solar & Storage Live KSA 2024 event, one of the most significant gatherings for renewable energy professionals in the region. The event will take place from October 15-16, 2024, at the Riyadh Front, Saudi Arabia, and we will be exhibiting at Hall 1, ...

The UK's Green Nation has unveiled plans for a solar and energy storage project, aiming to contribute up to 750MW to the country's National Grid. Called Whitestone Solar Farm, the solar facility is located between Rotherham and Doncaster in South Yorkshire and is in the preliminary stages of development.

Large-scale battery storage projects announced to date in Saudi Arabia include what has been described as the world's largest off-grid BESS for a new luxury resort on the Red Sea Coast, a 536MW/600MWh system for the new-build Neom "smart city" development, and a solar-plus-storage off-grid project for another "megatourism" development ...

Solar & Storage Live KSA is Saudi Arabia's largest renewable energy exhibition that celebrates the technologies at the forefront of the transition to a greener, smarter, more energy efficient system. The show unites all stakeholders - utilities, IPP's, financiers, government and regulators that are developing and future-proofing the ...

The Shuaibah Solar PV Project, previously known as Al-Faisaliah Solar IPP, is a major player in Saudi Arabia's shift towards renewable energy. This colossal project, reaching a final capacity of 2,600 MW, will be implemented in stages, with the initial phase constructing a ...

8minute Solar Energy is the owner. 8minute Solar Energy is the developer. Additional information. The project includes the option to add 50 MW/200 MWh of energy storage. The project, known as the Eland Solar & Storage Center, will be built in two 200 MW AC phases (Solar) in Kern County north of the city and downtown Bakersfield.

Solar & Storage Live KSA is an event that showcases the latest technologies and advancements in the renewable energy industry. It is considered the largest exhibition in Saudi Arabia dedicated to promoting a greener and more energy-efficient system. This event celebrates the forefront of the transition towards a sustainable future.
