About Delkor ...

Electrochemical batteries play a crucial role for powering portable electronics, electric vehicles, large-scale electric grids, and future electric aircraft. However, key performance metrics such as energy density, charging speed, lifespan, and safety raise significant consumer concerns. Enhancing battery performance hinges on a deep understanding of their operational and ...

Why Delkor Commercial Batteries? Fit Delkor Commercial batteries with confidence if reliability and longer service life is your objective. This means lower total cost of ownership and greater savings in the long run.

Delkor automotive batteries are powered by Clarios, a world leader in advanced energy storage solutions. We partner with our customers to meet increasing market demand for smarter applications, on a global scale. Our 16,000 employees develop, manufacture, and distribute a portfolio of evolving battery technologies for virtually every type of vehicle.
