Does Cyprus have a competition problem?

Promoting competition remains difficult given the small size of the domestic market. The Cyprus Energy Regulatory Authority (CERA), in cooperation with the Transmission System Operator (TSO) and other energy stakeholders, is working to alleviate competition constraints in the power generation sector.

Does Cyprus still have a monopoly on electricity?

In 2014, the Republic of Cyprus ended the state-owned Electricity Authority of Cyprus's (EAC) monopoly on electricity generation and distribution. Promoting competition remains difficult given the small size of the domestic market.
