Who is Masdar?

Based in Abu Dhabi, Masdar is one of the world's fastest-growing renewable energy companies and a pioneer in advancing the clean energy sector since 2006. Masdar is a key enabler of the UAE's vision as a global leader in sustainability and climate action, supporting the UAE Consensus and the legacy of COP28.

Who are Masdar shareholders?

With three leading UAE energy champions as our shareholders - the Abu Dhabi National Oil Company (ADNOC), Mubadala Investment Company, and Abu Dhabi National Energy Company PJSC (TAQA) - Masdar is supporting the UAE's transition toward a knowledge-based economy.

Who are Masdar & Taaleri Energia?

Abu Dhabi Future Energy Company PJSC - Masdar, the UAE's clean energy powerhouse, today announced the acquisition of eight hybrid renewable energy projects, along with Taaleri Energia, a Finnish-based renewable energy developer and fund manager, marking a significant expansion to both companies' Polish renewable energy portfolios.

Who is Abu Dhabi future energy company PJSC (Masdar)?

In 2006, the UAE government established Abu Dhabi Future Energy Company PJSC (Masdar) to leverage and build on the UAE's expertise and leadership in the global energy sector, while supporting the diversification of its economy and energy sources for the benefit of future generations.

Why should you choose Masdar?

Masdar is proud to be a strategic partner with many world-leading energy companies in the UAE and international markets. Working alongside government and business, we are helping to demonstrate the long-term economic viability of renewable energy while creating long-term value for Abu Dhabi.

What is Masdar doing in Poland?

This landmark announcement builds on Masdar's existing investments and commitments in Poland, including the Mława Wind Farm, located in Mazowieckie in the north of the country, and the Grajewo Wind Farm, located in Podlaskie, in the north-east. The projects were inaugurated in 2021 and have a combined installed operational capacity of 51.4MW.
