Winter weather shouldn't compromise your operations. At Dale Power Solutions, we deliver complete power solutions, from battery selection to generator maintenance and UPS servicing, ensuring your critical systems are ready to perform. Our 24/7 support and tailored services offer you peace of mind during the coldest months of the year.

Noise requirements, fire-safety, cabling, control interfaces and fuel solutions. Help centre. Products. UPS Solutions. Commercial UPS; Industrial UPS; WIMES & Harsh Environment UPS; Generators. Open set generators; ... At Dale, we have a wide range of containerised generator units that can power everything from a construction site to a hospital ...

Fuel contaminants can ultimately cause your generator engine to fail, reducing power supply to key power supply equipment. With Dale's specialist fuel conditioning programme, you can be certain that your fuel is being taken care of safely, and will aid generator functionality.

Our canopy generator range. Our canopy generators are available between output ranges of 20-3,000 kVA and we have flexible options on fuel sources from diesel generators to hybrid generators as well natural gas, HVO (Hydrogenated Vegetable Oil) and hydrogen.
