Dominican Republic home backup power supply

system with surge protector. Get uninterrupted power supply, true sine wave technology, TUV certified.

Republic Power Systems was created in response to identifying a need in the Uninterruptible Power Supply market space. At one end of the spectrum, are faceless resellers who do not offer customer support or customization capabilities, and at the other end, larger OEM UPS manufacturers who have focused more extensive programs and are generally slow or ...

There are other possibilities _- I've been looking at them because my home supplier has issues. Solar power should be pretty much a reliable option over there for daylight hours, and battery back up is an option for night time. Another way is to pop in a charger/inverter from the mains supply with a pile of batteries.
