

Ecuador ultracell llc

Who owns ultracell?

Earlier this year, Advent Technologies acquired UltraCell LLC ("UltraCell"), the fuel cell division of Bren-Tronics, Inc. ("Bren-Tronics"). Advent subsidiary UltraCell is a leader in lightweight fuel cells for the portable power market with mature products and cutting-edge technology.

What is Ultracell?

Ultracell, established in 1999 and located in Liverpool, U.K., is a world leader in Valve Regulated Lead Acid (VRLA) batteries. Ultracell has a substantial share of the UK's VRLA market and exports its products to more than 70 countries worldwide, in the continents of Europe, South America, Central America, Middle East, Africa and USA.

Are ultracell batteries made in USA?

The portable battery chargers produced by UltraCell are the only "Made in USA" fuel cell products approved by the North Atlantic Treaty Organization (NATO), and one of the only two manufacturers across NATO. UltraCell units are already deployed in the field by U.S. military and security agencies.

What services does ultracell offer?

Ultracell offers continuous, professional support through its internal team of experienced advisers and also through its extensive international distribution network. Customers may have technical, marketing and promotional literature provided to them in their own language prepared by our multi-lingual Sales and Marketing Department.
