

Ekotek energy Kenya

Who is Ekotek energy?

Ekotek Energy is one of the leading solar products manufacturing company around the world. We focus on offering reliable and cost-effective solar products designed to improve the lives of people who do not have access to the electric grid.

Who is ekotech energy?

EkoTech Energy has been in business since 2015. We provide investment and business development opportunities to companies looking to expand to the International Market. The principals at EkoTech have decades of international business development experience and success at breaking into some of the most challenging markets in the World.

Is Ekotek wireless?

EkoTek is truly wireless (only the hub needs AC power), making installation and expansion very quick and easy. 1. EkoTek principles configuration is not required. Lone-worker protection. Sizeable networks can be easily built, due to the large number of repeaters supported by EkoTek. Repeaters are normally installed on walls and/or ceilings.

Why should you choose Ekotek?

Our products provide powerful illumination as well as the ability to recharge other electronics at the same time, such as mobile phones, tablets, and other communication devices. At Ekotek, we understand that access to power is a basic need for all, and that it is closely connected with human development.

Haiti Energy Renouvelable EKOTEK Energy et SogeXPress s'engagent à promouvoir l'énergie solaire en Haïti. Posted on February 13, 2017. Stephan Nasr - Président de EKOTEK Energy. Franck Lanoix, Vice-président exécutif de SogeXpress. Dominique Policard, Directrice exécutive commerciale de SogeXpress

-Energy is free and limitless, supplied by nature itself. You can save money.-Due to its sustainability, long term it's by far the cheapest source of power-Environmentally friendly. An alternative and "green" energy source-Solar panels can be easily placed in on top of the house
