OverviewEtymologyMeaningsOrigins and developmentCelebrationPractices by country or regionDatesExternal linksThe Mid-Autumn Festival, also known as the Moon Festival or Mooncake Festival, is a harvest festival celebrated in Chinese culture. It is held on the 15th day of the 8th month of the Chinese lunisolar calendar with a full moon at night, corresponding to mid-September to early October of the Gregorian calendar. On this day, the Chinese believe that the moon is at its fullest and brightest, coinci...
