Arise solar have offered no compensation to offset my electricity bill. The customer service I have received is nothing less than terrible and I suggest that if you are looking for solar, pay a bit extra and get it elsewhere. The customer service is horrible and I stress that you do not use Arise Solar. Date of experience: 28 September 2023

The Clean Energy Regulator (CER) is an independent Australian statutory agency that administers legislation designed to achieve the country's goal of reducing carbon emissions and increasing clean energy use. It was established in April 2012 under the Clean Energy Regulator Act of 2011. During the second half of March 2021, the CER shared its ...
