

Finco energies China

Who is fincoenergies?

We are an independent, leading provider of sustainable energy solutions. Our mission is to propel our customers' transition towards a better world. At FincoEnergies we focus on providing low-carbon fuels, other energy and decarbonisation solutions.

What makes fincoenergies a sustainable company?

Founded in 2013, FincoEnergies embodies a commitment to driving change in the energy landscape. Our DNA is woven with a dedication to sustainability, reflected in our evolving strategies aligned with the UN Sustainability Goals (SDGs). These goals are the compass guiding our actions.

Who owns fincoenergies?

FincoEnergies was founded by Coloured Finches, an energy investment company that holds the majority of the shares. Together with the investment company Pontex Investment Partners and the management investment program, they form a very committed group of shareholders.

What's new at fincoenergies?

We have extended our presence to Singapore, completed initial deliveries in the United States, and embarked on new ventures, including bio-methanol and biomass, to broaden and diversify our range of services. Founded in 2013, FincoEnergies embodies a commitment to driving change in the energy landscape.

What biodiesel does fincoenergies use?

In a collaborative pilot with the barge Vlissingen, FincoEnergies partnered with the Dutch tanker shipping company VT Group (Verenigde Tankrederij B.V.). The bunker vessel was modified to run on 100% FAME biodiesel supplied by Finco, made from animal and vegetable fats or waste cooking oils.

Why should you choose Finco?

We want to propel our customers' transition towards a better world. The name Finco is derived from the beautiful colourful finches that Charles Darwin discovered on the Galapagos Islands, and which are a classic example of surviving by continually adapting to new situations.

Together, they cover the wide range of energy solutions that FinCo wants to offer and how we want to support our customers in their sustainability journey in the best possible way. We hope you enjoy reading. "This book is more than just a retrospect. It shows how far FinCo has come and that the future on acting 100% green has already begun ...
