

IKEA storage cabinet that can be used as a chair

Are IKEA cabinets hackable?

IKEA hacks are a great option if you're looking for a custom piece of furniture at an affordable price, and perhaps one of the most hackable pieces from IKEA is the Ivar cabinet. Ivar is made of solid pine, with two interior shelves for storage. Wooden doors keep clutter hidden, although some people choose to remove them for a custom look.

Can you put IKEA Besta cabinets side by side?

In this cozy kitchen area, @susanne.maassen has lined up a few IKEA BESTA cabinets side by side and added a pad to the top to create a spacious bench for the kitchen table. The added storage certainly can't hurt, and could be used for things like additional seating pads, table linens or even rarely used kitchen accessories or dishes. 5.

Are Metod cabinets repurposing IKEA furniture?

More and more crafty furniture flippers are repurposing IKEA staples like the METHOD cabinets to make stunning statement pieces for the home, and we can't get enough of the idea. Storage seating isn't just a clever space-saving hack either, but a stylish design choice, as proven by the beautiful DIY project in this entryway alcove.

Are IKEA Besta cabinets a good choice?

One of our favorite pieces to work over is the IKEA BESTA, which is part of the BESTA storage system collection. Its mix-and-match cabinets can sit on the floor or be hung on the wall, can be used horizontally or vertically, and come in a range of sizes, colors, and finishes.
