It can be installed by downloading the installer from the POWERVAR Connectivity website. [Demo & Trial Information](#) + If you do not have a ManageUPS Adapter installed on your UPS, but you do have access to the internet via ports 5055 or FTP, you may be able to use the search feature to add one of our on-line ManageUPS adapters to DCU's bookmark ...

AMETEK Powervar's transformer-based power conditioners and uninterruptible power supplies provide complete power quality solutions to the medical, industrial, and retail technologies markets. Our business philosophy is built on the core belief of providing customer value through collaborative partnerships, innovation, and technologically ...

Powervar has its manufacturing operations in Waukegan, IL and sales and service offices in Canada, Germany, Mexico and the United Kingdom. It joins AMETEK as part of its Electronic Instruments Group (EIG) -- a recognized leader in advanced monitoring, testing, calibrating, and display instruments with 2012 sales of \$1.9 billion.

To ensure clean power, it's important to install a Powervar Power Conditioning or UPS (uninterruptible power supply) system that can provide a steady, reliable source of full conditioned power to the POS system. This ensures that your POS system is constantly protected from any power disturbances before they can affect the system.
