What is a Monaco m2 transceiver/fire alarm control panel?

The M-2 is a narrowband transceiver/fire alarm control panel that provides a radio interface between conventional devices and a Monaco Central Receiving System. An M-2 is factory-tuned to operate at a specific VHF or UHF frequency. It uses the Frequency Shift Key (FSK) radio protocol to communicate with the Central Receiving System.

How do I contact a Monaco customer service representative?

If you need help with your Monaco products, contact a Monaco customer service representative at (509) 926-6277. See "Contact Information" on page ii. The M-2 is a narrowband transceiver/fire alarm control panel that provides a radio interface between conventional devices and a Monaco Central Receiving System.

Does Monaco sell antenna mounting hardware?

Antenna masts must be well secured and able to withstand the local environmental conditions. Monaco sells antenna mounting hardware; however, some conditions may require mounting hardware not available from Monaco.

Does Monaco have a warranty?

Monaco is not responsible for damage to any product from accident, unauthorized alteration, abuse, acts of God, misuse, misapplication, or inappropriate or faulty installation. This warranty covers only those products that have been properly installed using factory-approved wiring and installation techniques.

Is Monaco Enterprises a registered trademark?

The Monaco Enterprises, Inc. (Monaco) logo and MEI are registered trademarks of Monaco. All other product names and logos in this manual are used for identification purposes only and may be trademarks or registered trademarks of their respective companies. This document contains proprietary information and is for exclusive use by Monaco customers.

How do I return my equipment to Monaco?

Before returning your equipment, contact a Monaco Customer Service Representative at (509) 926-6277 to receive a return authorization. The return authorization number must be clearly marked on any box in which the returned items are shipped and on all documents related to the return.
