

Outdoor battery storage box Wallis and Futuna

What is outdoor battery enclosure?

The outdoor battery enclosure is a housing, cabinet, or box that can be used outdoors and is specifically designed to store or isolate the battery and all its accessories from the external environment. Outdoor battery enclosures keep your batteries safe from weather and safe from theft.

Why do you need an outdoor battery enclosure box?

Outdoor battery enclosures keep your batteries safe from weather and safe from theft. Outdoor battery enclosure boxes also feature locking mechanisms that protect unauthorized people against possible electrical dangers if they happen to be tampering with your equipment.

Can a battery enclosure be fitted with a BOD-DX?

Each battery enclosure can be fitted with off the shelf battery trays and are paint tested, secured by quarter turn padlocking handle doors and seal with a rubber-filled gasket. *Our OD-30DXC NEMA Enclosure is shown in use with the BOD-DX Call and let our experienced team help you with your build.

Does Sunwise Power & Battery offer custom enclosures?

Sunwise Power & Battery also offers custom enclosures to meet any specification. All Enclosures include rainproof design, electrical knockouts and ventilation. M Series Enclosures are pole-mounted enclosures featuring new battery storage capabilities and a hammered powder coat finish.
