

The Cypriot Cabinet's recent decision has potentially cleared the way for the Cyprus-Crete electrical interconnection project to move forward, though some hurdles remain, according to sources close to the matter.. The Cabinet's decision, which includes a framework agreement sent to the Greek government, leaves open Cyprus's participation in the Great Sea ...

The influx of client/server rack equipment is changing the content of data centers. There are more devices than before, and they consume less power than their predecessors. Therefore most Power Distribution Units (PDUs) run out of circuit breaker poles before they run out of rated capacity. The Liebert RDC extends the functionality of the PDU by packaging 168 poles (four ...

About This Product. The Amerock BP26201G10 Cyprus 3 in. (76 mm) Center-to-Center Pull is finished in Satin Nickel. For a soft, contemporary look, the Cyprus collection offers a sleek design with a more substantial feel, striking the perfect balance between form and function.

The tools trolley comes with a handle so that the users can carry it from one place to another very conveniently. The drawers have provision to accommodate a large number of accessories very easily, without overcrowding. The superior power coating on the cabinets is not just meant to add to its visual appeal but also meant to impart rust ...

The unit has five shielded Ethernet ports, four of which can power other PoE capable devices with the same voltage as applied to the unit (max current out is 1A per port, max total out is 2A). Less power adapters and cables to worry about!
