Because power outages are a common and severe energy issue affecting the daily lives of many homeowners in Puerto Rico, FranklinWH's home energy management and storage system will provide an excellent ...

I have a Schneider 4048 inverter with that. The batteries can store more than a day of power since I don't have air conditioning, use a gas stove, and don't use a clothes dryer (much). The incoming AC goes to the inverter before the main panel and if the street power fails, the inverter picks up the load in about 20ms.

Recently, GSL has successfully offered a 30KWH Powerwall Lifepo4 lithium battery to Puerto Rico client. This system can perfectly match with Schneider smart solar inverter, which helps Mr. Jose, our Puerto Rico client to build up ...
