

# Ranking of solid energy storage production enterprises

What are the top 5 energy storage manufacturers?

The top five manufacturers were CATL,EVE Energy,Hithium,BYD,and CALB. CR5 has surpassed 75%,signaling a highly concentrated market with limited growth opportunities for new entrants. According to InfoLink,300Ah+cells now account for nearly 50% of the global utility-scale energy storage market in a single quarter.

What was the energy storage industry like in 2024?

In 2024,industry concentration remains high,with CR10 reaching 90.9%,roughly the same as in the first three quarters of the year. The top five companies in global energy storage cell shipments for 2024 were: CATL,EVE Energy,BYD,Hithium Energy Storage,and CALB. The top themes for the year were: stability,market shift,and key clients.

Who makes the best energy storage cells in 2024?

In 2024,DC-side shipments showed a clear ranking. CATL and BYD remained the top two with a strong lead, followed by PotisEdge,Hithium,and RelyEZ. Notably,CATL,BYD,and the newcomer Hithium are top energy storage cell makers,increasingly expanding into system integration.

Who are the top energy storage cell makers?

Notably,CATL,BYD,and the newcomer Hithium are top energy storage cell makers,increasingly expanding into system integration. Top cell makers,with their technology and supply chain advantages,are strengthening their competitiveness in the full industry chain through vertical integration.

Which energy storage cell manufacturers are expanding overseas in 2024?

In 2024,frequent policy shifts and record-breaking tenders have made expanding overseas a top priority for manufacturers. According to InfoLink's statistics,non-China markets' energy storage cell shipments reached 137.3 GWh,with the top five suppliers being CATL,BYD,EVE Energy,AESC,and REPT.

Which battery energy storage system integrators are the best in 2024?

AC side: Leading manufacturers between China and the U.S. maintain strong positions amid competition. The top five global battery energy storage system (BESS) integrators in the AC side for 2024 were Tesla,Sungrow,CRRC Zhuzhou Institute,Fluence,and HyperStrong. Tesla and Sungrow secured the top two global positions.

The \$33 Billion Race: Who's Leading Global Energy Storage Production? With the energy storage market hitting \$33 billion globally in 2025, manufacturers are scrambling to secure their ...

The energy storage market underperformed expectations in Q4, resulting in a weak peak season with only ...
