

Do small living rooms have TV layouts?

Small living rooms can be a challenge when it comes to arranging furniture, especially if you want the layout to accommodate a TV in an ideal viewing spot. Consider these small living rooms with TV layouts for inspiration and ideas.

What are the best small living room TV ideas?

For small living room TV ideas, floating units are a clever space-saver to consider. Hung on the wall, with no supports or legs to distract the eye, it keeps floors clear and creates a 'floating' effect which aids the feeling of spaciousness. Consider corner TV storage too if space is really at a premium.

How do you style a small living room with a TV?

Sometimes, less is more when it comes to styling a small living room with a TV. Consider a simple closed-storage console that's beautiful enough to stand on its own, and draw attention elsewhere -- like to a plush, sink-into-me sofa, decorative shelving, wainscoting, or a high-contrast coffee table setup.

Which TV unit is best for a small living room?

Compact TV units and benches offer low-level storage that won't dominate the space too much, so are a sensible choice for small living rooms. For small living room TV ideas, floating units are a clever space-saver to consider.

Can a TV work in a small living room?

A trick for making a TV work in a small living room is taking care that it isn't the only black object in the room. In this cozy living room from Jenn Pablo Studio, the black flat screen mimics the firebox and a Greta Grossman-designed Grasshopper lamp, adding contrast in a small space otherwise decorated with neutral tones and wood accents.

Where should a TV be placed in a small living room?

In a small living room with lots of windows, sometimes the most fitting spot for a TV is above a fireplace. In this case, use it as a focal point to situate your seating area around. Matching sofas opposite one another help to ground the room, while a pair of airy accent chairs fill in the open space.
