Zimbabwe, as a sun-soaked nation, is harnessing the enormous power of the sun to cater to its energy needs. This has led to the rapid growth of numerous solar companies in Zimbabwe that manufacture and distribute solar equipment, including panels, inverters, and batteries. Two main supply chain centers are driving the nation's solar energy sector: Harare and Bulawayo.

Sol-A-Way was established on the 1 st of August 2022 with the sole purpose of providing solar lighting, subsequently the gap in the market in Bulawayo for high quality solar equipment and the frustrations emanating from unavailability of power led to the expansion into residential and commercial solar installations.. The founders having had experience in the field for 4years ...
