

The Cocos (Keeling) Islands is an Australian territory in the Indian Ocean. THE fire started burning after a conversation with my partner, Rachel, about this so-called Australian paradise. It wasn't until we started to dig into any little bits of information we could find that we knew it was our calling.

If going with the flow is how you roll, you will love the Cocos Keeling Islands. They have a small - very small - country town vibe. Your activities revolve around the exquisite lagoon whether they be snorkelling, diving, fishing, parasailing, or just relaxing under a coconut palm reading a book while inhaling the frangipani infused air
