"SolarTech installed my solar panels over 10 years ago now, and they are still performing as strong as ever! I can't recommend SolarTech high enough as they have helped me with any issues or questions I've had with my solar over the years. They did a fantastic job on the install, and their customer service is second to none."

The Sahara Desert seems like an ample open space to generate electricity from solar energy due to the natural conditions. If solar panels were put on only 1.2% of the Sahara, they could produce enough energy for the entire world, a tempting idea for fulfilling the world's need for renewable energy.

Solartek es líder en energía solar en Colombia. Ofrecemos soluciones solares para hogares, empresas e industrias. Ahorra y contribuye a un futuro sostenible. ...
