Should you store your luggage upright or flat?

Storing luggage upright is generally recommended as it helps maintain the shape and prevents unnecessary pressure on one side. However, if space is an issue, flat storage can work too, just be sure not to stack heavy items on top of your suitcases to avoid crushing them. Learn the best suitcase storage ideas to keep your luggage in top condition.

How do you store a suitcase in a hotel room?

Turn your suitcase into a shoe rack. If you have a decent amount of floor space in your closet, you can store your suitcases there. The trick is to lay your suitcase in the exact position you would if you put it on a luggage rack in a hotel room: flat and open, with the open side facing toward you.
