I ordered a 11ah rear rack battery as a backup for my 17.5ah battery on my bbs01 from psw power yesterday. I ordered from thier website and paid in dollars as it worked out cheaper than amazon. It specifies chineses cells but because its not being used as my main power source, im willing to take a risk on this at &#163;140 inc shipping.

PSW Power & Automation has signed a contract with a Dutch company for the delivery of a series of mobile DC chargers with integrated battery systems. The mobile charging solution has a built-in battery pack with high-power chargers to provide fast DC charging for excavators and heavy machinery. Ongoing electrification of construction sites and the [...]
