Who is Taico battery manufacturer?

TAICO which is a prominent Battery manufacturer, foundation in 2002, has emerged as one of the leading Lifepo4 manufacturers, committed to delivering the finest custom lithium battery packs to users worldwide. Over the years, we have amassed extensive experience as a manufacturer, supplier, and OEM in the lithium battery field.

Who is Taico technology?

TAICO Technology Co., Ltd., established in April 2002, has rapidly developed into a large-scale manufacturing factory integrating R&D, design, and production. We focus on innovation and breakthroughs in battery technology, striving for excellence from BMS design of electrical systems, battery modules to finished battery pack testing.

What is Taico Powerwall lithium battery?

TAICO Powerwall lithium battery (LFP - lithium iron phosphate) is a kind of new environmentally-friendly backup power system product. It is made of cathode materials, battery cells, and BMS (battery management system) and processed by TAICO self-developed core technologies. TAICO Powerwall is the latest HESS (home battery storage system).

What certifications does Taico have?

In terms of quality control, TAICO always follows the guidance of ISO9001 international standards and strictly controls every aspect of the production process. At present, the company has won 3 major certification systems: ISO9001, ISO14001 and ISO45001.

0 likes, 0 comments - taicosolarnigeria on October 24, 2024: "The story of Taico energy storage batteries in Nigeria. Why did we choose to stay in Lagos, Nigeria to work? Nigeria is like my hometown when I was a child, lacking electricity and no light to illuminate the darkness. So I decided to stay and bring batteries to every household, so that more people can use electricity ..."
