Will TCL split Zhonghuan solar company into three companies?

TCL said it plans to split the Shanghai-listed solar manufacturer into three companies. It will inject more than RMB2 billion (\$285.8 million) to help Zhonghuan develop its semiconductor and PV businesses. China's National Energy Administration (NEA) said on Wednesday that new residential PV installations hit 767.5 MW in June - a monthly record.

What is TCL Zhonghuan doing with Maxeon solar technologies?

TCL Zhonghuan has announced a US\$200 million investment into manufacturer Maxeon Solar Technologies. The transaction comes in the form of 5-year convertible bonds and will be completed via wholly-owned subsidiary Zhonghuan New Investment.

Why did TCL buy Zhonghuan?

TCL Zhonghuan - formed as electronics manufacturer TCL acquired semiconductor producer Zhonghuan in a 2020 takeover - said that the purchase of the bonds is part of its overseas strategy, which will not only support Maxeon's growth but will also establish a solid foundation for the international expansion of Zhonghuan.

Will TCL Zhonghuan buy Maxeon?

He has been reporting on solar and renewable energy since 2009. Chinese wafer manufacturer TCL Zhonghuan says it wants to invest around \$197.5 million to increase its stake in Maxeon from 22.39% to at least 50.1%. A Maxeon spokesperson told [pv magazine](#) that the plan would place the company in a solid financial position.

Who is TCL Zhonghuan?

TCL Zhonghuan has revealed a plan to become a majority shareholder of Singapore-based solar module manufacturer Maxeon. The Chinese company said it would finalize the deal through a number of financial transactions, including the issuance of convertible bonds and additional shares via private placement.

Who bought Tianjin Zhonghuan Semiconductor?

Image: [scottwebb](#), [pixabay](#) Tianjin Zhonghuan Semiconductor has been acquired by TCL, as the Chinese consumer electronics manufacturer won an auction to buy shares of its parent, state-owned Zhonghuan Electronic Information Group. TCL said it plans to split the Shanghai-listed solar manufacturer into three companies.
