How many times can you use a energy activator on a single character / weapon? The author of this topic has marked a post as the answer to their question. [Click here to jump to that post.](#)

The &quot;Energy Activator Blueprint&quot; has a consistent drop rate for me, occurring every three days. Despite a mere 3% chance of obtaining it, I've noticed this pattern after opening around 20-30 Amorphous Materials during those periods. This consistency makes me believe the system might be rigged. How can such an essential resource be treated this way?
