

Vanadium battery energy storage won the bid

Recently, Shanghai Electric Energy Storage Technology Co., Ltd. successfully won the bid for the 10mW/40MWh all-vanadium liquid flow energy storage project at the Fengxian Spark ...

On November 28, the results of the bidding for the equipment procurement project for the GWh/year production line of all-vanadium liquid flow batteries were announced. Chengde ...

Source: V-Battery WeChat, 13 May 2024 Recently, Shanghai Electric Energy Storage Technology Co., Ltd. (hereinafter referred to as "Shanghai Electric Energy Storage") ...

August 30, 2024 - The flow battery energy storage market in China is experiencing significant growth, with a surge in 100MWh-scale projects and frequent tenders for GWh-scale flow ...

On November 2, the public announcement of the winning candidates for the EPC general contracting of the 100MW/400MWh energy storage power station project in Mayang County, ...
