

BHP Billiton Manganese Australia president Bryan Quinn said the company has invested about \$462m in the past five years in two expansions at Gemco, which "allowed it to increase the workforce by creating new jobs and business opportunities for local firms in Darwin and Groote Eylandt".

Morocco drives renewable energy projects in Western Sahara. Morocco has claimed authority over Western Sahara since 1975, but the UN does not recognise Moroccan control, calling Western Sahara a "non-self-governing territory." The UN has called for a referendum to decide the region's future.

More than eight years have passed since Siemens first issued a press release regarding a contract for construction of energy infrastructure in occupied Western Sahara. The company then described the territory as "Southern Morocco";. ...

Through its roll-out of massive energy projects in occupied Western Sahara, Morocco becomes more economically connected to, and dependent on, the territory it holds under illegal, military occupation. It intends ...

Green hydrogen (GH 2) prospects in Africa are developing at breakneck speed. But the biggest questions remain unanswered. Yes, Africa has the resources but can these highly capital intensive projects be made bankable while lenders demand heavy risk premiums on African projects?

Anyang GEMCO Energy Machinery Co., Ltd (GEMCO) deals principally in manufacture and export of the mobile pellet plant, biomass briquette machine, pellet stove and small pellet mill with CE certification. Our company has won the ISO9000 recognition. GEMCO pellet making equipments are capable of making biofuel pellets from woody biomass, sawdust ...

"This is a momentous victory for the people of Western Sahara. At a time when international law is under pressure, it is fundamental that the EU follows its own court and stops collaborating with the occupier through illegal trade agreements", stated Western Sahara Resource Watch. This morning, the EU Court of Justice issued a landmark ruling.

Western Sahara Resource Watch works to uncover the plunder of the territory and to keep companies and governments accountable for their support to the occupation. ...
