

Winning bidder for cape town pumped energy storage project

Who are the preferred bidders for a battery energy storage system?

A consortium consisting of renewable energy developer, Mulilo, and independent power producer, EDF Renewables, has been selected as the preferred bidders for three battery energy storage system (BESS) projects in South Africa.

How many battery energy storage projects are there in South Africa?

A total of five projects were awarded under South Africa's Battery Energy Storage Procurement Program by the country's Department of Mineral Resources and Energy in March 2023. The projects make up a 513 MW tender and are poised to provide capacity, energy, and ancillary services throughout South Africa.

How many BESS projects are there in South Africa?

The consortium was awarded the three BESS projects totalling 257 MW / 1,028 MWh of energy storage by South Africa's Department of Mineral Resources and Energy (DMRE), out of a total of five awarded.

Why should we invest in battery energy storage in South Africa?

We applaud the South African government's commitment and dedication to the renewable energy procurement programmes. Battery energy storage will continue to play an important role in the energy transition, and we will continue to be at the forefront across our core markets," says Scatec CEO Terje Pilskog.

How many MW of energy storage capacity will South Africa have?

The three BESIPPPP rounds held so far will provide the South African electricity system with 1,744 MW of energy storage capacity, as envisioned in the government's integrated resource plan (IRP), Minister Ramokgopa said. The upcoming version of the IRP will determine the capacity for the next round of battery bid windows, he added.

How much did Mulilo & Scatec invest in South Africa?

Minister of electricity and energy Kgosientsho Ramokgopa announced the selected bidders early on Friday, stating that they represented an investment of ZAR 9.5 billion (USD 528.4m / EUR 466.5m) into the South African economy. Mulilo was successful with four projects, while Scatec scored one.
